Hello there!

As a **front-end developer** with a design background, I aim to leverage my skills and experience to excel in web development

My understanding of both worlds allows me to seamlessly translate design concepts into outstanding frontend solutions.

Javascript

Soft Skills

PROACTIVE
I proactively seek improvement opportunities and implement innovative solutions.

ORGANIZED
I meticulously organize and prioritize tasks, effectively managing multiple projects.

ACTIVE LISTENER
I actively listen to clients and colleagues, understanding their needs and empathizing with user problems.

Work Experience

Niup Technologies
Front-end Developer - Full-time

September 2020 - Present

- Developed UI modular Angular.js components to enhance code maintainability and scalability for the company's components library;
- Progressed to maintain the library, conducting meetings with the design team leader and managing development tasks and stages;
- Transitioned to developing React.js web applications for the company's no-code website builder platform, broadening my skill set;
- Currently serving as both a Front-end Developer and Responsible for the Web Development Department, gaining experience in team management and client communication while actively contributing to development tasks.

SheerMe
Front-end Developer - Freelance

May - July 2020

- Development of multiple responsive website pages;
- Utilized HTML with SCSS to translate design mockups into website pages and integrated JavaScript functionalities to create interactive elements;
- Ensured cross-browser compatibility to guarantee consistent performance across different web browsers.

Trafidèles
Front-end Developer & Designer - Freelance

May 2020 - October 2021

- Designed the brand logo and business stationery;
- Crafted website wireframes to outline the structure and layout of the website;
- Designed the final website layout based on the approved wireframes;
- Used HTML, SCSS and JavaScript to develop the website, ensuring compatibility across various screen sizes and web browsers.

PIC - Portal Info Cosméticos
Designer - Freelance

July 2018 - January 2019

- Custom illustration of the visual elements in a easy-to-understand format;
- Designed infographics that simplify complex topics or data sets, making them more accessible and comprehensible to the target audience.

Curricular Internship

SUBA - Creative Agency
Designer

March - April 2019

- Created website layouts for multiple clients;
- Developed a new logo for a company's rebrand;
- Designed social media posts;
- Designed custom pictograms to communicate concepts and ideas to the team;
